

## Assignment Number - 1

Sr no	URL	Purpose	Liked	Disliked	Overall
1	<a href="https://www.netflix.com/in/">https://www.netflix.com/in/</a>	Entertainment (Movies and shows)	UI is very good, simplicity (very easy to navigate)		Very Good
2	<a href="https://www.amazon.in/">https://www.amazon.in/</a>	E-commerce	The navigation is very efficient, user experience is great	The UI is clustery, sometimes I got lost while navigating	Good
3	<a href="https://visitmaldives.com/en">https://visitmaldives.com/en</a>	Travel Destination Site (Tourist, holidays)	Moderate UI experience (not bad), the purpose is well served (lots of tourist attraction images)	Not well optimized for mobiles	Good
4	<a href="https://in.bookmshow.com/">https://in.bookmshow.com/</a>	Movie and Show Tickets Booking	Good, easy to navigate and efficient website	Many unnecessary notifications which make things hectic	Moderate
5	<a href="https://pixabay.com/">https://pixabay.com/</a>	Wallpapers for smart device	Easy to navigate and very large free content	Many ads (as it is their source of revenue)	Moderate
